SASOL NEW SIGNATURES

1 August to 9 September 2007

The annual Sasol New Signatures competition and exhibition are the highlights of the art year for many up-and-coming artists. The exhibition features 90 artworks from across South Africa and the standard of conceptual development and presentation is exceptionally high. Johannesburg artist Gavin Rooke captured the first prize and R60 000 in prize money with his photographic work *Berea, Johannesburg*.

FAVOURITES FROM THE INTERNATIONAL PRINTMAKING COLLECTION

11 September to December 2007

Henry Preiss Hall

CONTEMPORARY SOUTH AFRICAN GRAPHICS

9 to 26 August 2007

East Gallery

This display of contemporary South African graphics illustrates the post-modernist shift of attention from the art object to the art idea. The works include graphics executed at the end of the 20th century and some from this century. Artists are inventing a new language of communication in which the new media, sophisticated technology and social context play important roles. These works are expressions of the nature of post-modern artworks - they are often merely the agents that set in motion affinities, ideas and emotions within the spectator.

FAVOURITES FROM THE PERMANENT COLLECTION

Until December 2007

Albert Werth Hall

For this exhibition, artworks have been selected from the permanent collection of the Pretoria Art Museum. Over the years, visitors' special liking for certain artworks has been clearly evident, and this varied exhibition is an attempt to suit different tastes.
